# Halloween with Parks and Recreation

---

- Friday, Oct 27 - Annual Magic Show and Movie at the Fluvanna Library.
- ~50 guests entertained by **Mr. Magic** before our movie, “**Open Season: Scared Silly**”.
- Saturday, Oct 28 - Annual Halloween Festival at Pleasant Grove Park.
  - Over 300 participants, with crafts, games, piñatas, hayrides, with costume and pumpkin painting contests.
- Thank you to our volunteers that made this event a success!

# Executive Mansion Holiday Tree Ornament

---

- **Designed and made by Graham Stallard, a local glass artist specializing in making glass cremation memorials.**
  - Cremains in Glass servicing a dozen or more funeral homes and pet crematories in Virginia and North Carolina as well as an online presence. Also makes stained glass windows. My most recent window can be seen at El Vaquero sometime this November.
  - Did a lot of research and decided to make the persimmon branch that is at the top of the seal of Fluvanna County because it was something that was within my skill set and I felt I could execute it well enough that someone would know what it is.
  - Honestly, I have never heard of persimmons and to this day have never had one. I have found one in Pleasant Grove and plan on gathering a few after the first good frost. I learned that's when they're best. Before that, they are too sour apparently.
- **Viewing of the State's ornaments at the Executive Mansion will begin on the evening of the Capitol Tree Lighting**
