Announcements and Updates

On December 13, 2021, Governor Ralph Northam announced the award of \$79 million in Virginia Telecommunication Initiative (VATI) grants to Firefly Fiber Broadband SM, a wholly-owned subsidiary of Central Virginia Electric Cooperative, and its partner Rappahannock Electric Cooperative (REC).

- The funding will support the \$288 million project which endeavors to offer universal access to gigabit speed broadband service to 36,000 unserved homes and businesses in 13 counties in Central Virginia.
- Elected officials from each county in the project voted to contribute funds, totaling \$33.5 million. The fiber construction will take approximately three years to complete and will include 4,000 miles of fiber.
- For Fluvanna, the grant covers 802 homes and businesses that are unserved. It would require 63 miles of fiber. The budget for the project is \$5,137,000 with VATI covering \$1.79 million. The County match would be \$601,500. The County can use American Rescue Plan Act funds for the match.
