Announcements and Updates – National Police Week

- **“In 1962, President Kennedy proclaimed May 15 as National Peace Officers Memorial Day and the calendar week in which May 15 falls, as National Police Week. Established by a joint resolution of Congress in 1962, National Police Week pays special recognition to those law enforcement officers who have lost their lives in the line of duty for the safety and protection of others.**
 - According to the National Law Enforcement Officers Memorial Fund, more than 800,000 Law Enforcement Officers serve in the United States today.
 - Each year, the National Law Enforcement Officers Memorial adds new names to the wall.
 - The average is 163 deaths per year.
 - Fallen Law Enforcement Officers represent all levels of Law Enforcement, including local, State, Federal, Tribal, and Military Law Enforcement.
 - Today we honor our fallen Brothers and Sisters across this great Nation for their service and sacrifices and offer heartfelt support to their surviving family members and fellow Officers. A HERO remembered is never forgotten.”
