Waiver to Administer an Existing Split Precinct for Elections in 2025 – Eric Dahl, County Administrator
The Code of Virginia, 24.2-307, requires the elimination of split precincts. Fluvanna has one split district in the Cunningham District, near the Town of Scottsville – House Districts 55 and 56.

Under the provisions of 24.2-307, localities are required to comply with the following:
Each precinct shall be wholly contained within a single congressional district, Senate district, House of Delegates district, and election district used for the election of one or more members of the governing body or school board for the county or city. In each year ending in one, the governing body of each county and city shall establish the precinct boundaries to be consistent with any congressional district, Senate district, House of Delegates district, and local election district that was adopted by the appropriate authority by June 15 of that year. If congressional districts, Senate districts, House of Delegates districts, or local election districts have not been adopted by the appropriate authority by June 15 of a year ending in one, the governing body may use the congressional districts, Senate districts, House of Delegates districts, or local election districts as such districts existed on June 15 of that year as the basis for establishing the precinct boundaries to be used for the elections to be held in November of that year. Such governing body shall establish precinct boundaries to be consistent with any subsequent changes to the congressional districts, Senate districts, House of Delegates districts, or local election districts. If a governing body is unable to establish a precinct with the minimum number of registered voters without splitting the precinct between two or more congressional districts, Senate districts, House of Delegates districts, or local election districts, it shall apply to the State Board for a waiver to administer a split precinct. The State Board may grant the waiver or direct the governing body to establish a precinct with fewer than the minimum number of registered voters as permitted by § 24.2-309. A governing body granted a waiver to administer a split precinct or directed to establish a precinct with fewer than the minimum number of registered voters may use such a precinct for any election held that year.

This waiver must be requested yearly as long as the split precinct exists.

The Department of Elections requires a copy of the minutes from a Board of Supervisors meeting, in which the governing body formally requests a waiver until such a time as redistricting can be completed.

MOTION:	Adopt the resolution approving the request for “Waiver to Administer a Split Precinct” for elections held in 2025; and authorizing the General Registrar to complete the procedures, including submission of requests for waiver on behalf of the Board, required to administer the Cunningham District and Precinct as a split precinct for elections held in 2025.

Amendment to SUP 83:05 Park, Caretaker Residence – Dan Whitten, County Attorney; Todd Fortune, Director of Planning
The subject properties are zoned I-1, Industrial, Limited. A Special Use Permit (SUP) was approved for these properties on August 1, 1983 for the placement of a mobile home on the properties as a caretaker’s residence. Staff are proposing an amendment to the SUP to limit the term of the SUP to five years, subject to renewal by the Board.
At the time the SUP was approved, the subject properties were owned by Sidney Park. The properties are now owned by his son, Phillip Park. The SUP goes with the properties. The proposed amendment would allow the SUP to expire upon the transfer of the properties to another party.

MOTION:	Approve an amendment to SUP 83:05 to include a period of validity of five years for the existing SUP with respect to Tax Map 53-5-1 and 53-5-2, subject to renewal by the Board.

The County property will be returned to its prior state after the facilities are constructed. The property is identified as 5-7-9E and currently contains the County water tank. ZTA 24:09 – Amendments to the Fluvanna County Zoning Ordinances, amending § 19-2-1 to clarify that no more than five lots may be created from the parent tract using the minor subdivision approval process, regardless of whether the lots are created at one time or over an extended period of time – Dan Whitten, County Attorney; Todd Fortune, Director of Planning

Fluvanna Code currently allows parcels to be repeatedly resubdivided every five years, using the less rigorous minor subdivision approval process and resulting in what are effectively major subdivisions. This text change eliminates the existing work-around, so that any subdivision activity yielding six or more lots will go through the major subdivision review process.

At 7:38pm, Chair Fairchild opened the Public Hearing. With no one wishing to speak, Chair Fairchild closed the Public Hearing at 7:38pm.

- After some discussion the Chair called for a vote.

MOTION:	Approve an ordinance to amend and reordain “The Code of the County of Fluvanna, Virginia” by amending § 19-2-1 to clarify that no more than five lots may be created from the parent tract using the minor subdivision approval process, regardless of whether the lots are created at one time or over an extended period of time.

This proposed ZTA would amend the Fluvanna County Code by amending §§ 22-22-1 and 22-4-2.1 to define “agritourism activity” and to authorize such activity by-right in the A-1 zoning district. Fluvanna County Code currently does not define or regulate Agritourism. The definition is taken from the Virginia Code § 3.2-6400.
