b. Only public business matters identified in the motion convening the Closed Meeting were heard, discussed or considered.

Any member who believes that there was a departure from the above requirements shall so state prior to the vote, indicating the substance of the departure that, in his judgment, has taken place.

4. The failure of the certification to receive the affirmative vote of a majority of the members present and voting during the Closed Meeting shall not affect the validity or confidentiality of the Closed Meeting with respect to matters considered therein in compliance with the Freedom of Information Act.

5. The Board may permit non-members to attend a Closed Meeting if their presence will reasonably aid the Board in its consideration of an issue. Except as otherwise directed by the Board, the County Attorney and the County Administrator shall attend all Closed Meetings.

D. Special Meetings. The Board may hold Special Meetings as it deems necessary, at such times and places as it finds convenient, and may adjourn such special meetings from time to time as it finds convenient and necessary. Special Meetings shall be called and scheduled per §15.2-1418.

- A. The Clerk, under the direction of the County Administrator, shall prepare the agenda for meetings.

The County Administrator may at his discretion, and individual Board members may by request to the County Administrator, place matters of business on the Agenda according to the schedule in paragraph XVI.A above for discussion, information and/or action by the Board as are germane to the affairs and interests of the Board and county. However, this does not prevent the County Administrator or Board members, at their discretion, from having items included which are received after the regular cutoff date.
- C. Any Constitutional Officer, department head, agency head, or citizen may also submit items for Agenda consideration provided such requests are received in advance according to the schedule in paragraph XVI.A above.
- D. The County Administrator shall allocate time to items on the agenda to suit the convenience of the Board.

E. If the County Administrator considers a requested agenda item not appropriate for consideration by the Board, he shall inform the Chair for a decision. This does not prevent retaining the item on the agenda by majority consent of the Board.

F. The Chairman and County Administrator shall style routine, non-controversial matters requiring Board action on a Consent Agenda. Items may be removed from the Consent Agenda and placed on the Regular Agenda at the request of any Board member present. Only one motion is necessary to adopt all recommendations and action items on the Consent Agenda.

G. The Clerk for the Board shall submit the draft agenda to the Chair on the Wednesday in the week before a regularly scheduled meeting for the Chair's review and approval. Agendas for special or other meetings may have the preparation and approval timeline modified to accommodate the available timeframe.

H. Issues for which actions will be required shall normally have all materials in the agenda package for advance study.

I. The Board agenda and related materials shall be received by each member of the Board and the County Attorney not later than the Friday before the scheduled regular meeting. The Clerk for the Board may request an adjustment to the delivery schedule due to special circumstances.

J. The Clerk shall prepare extra copies of the agenda and shall make the same available to the public and the press in the Office of the County Administrator, the Public Library, and on the County website. The Clerk shall also have at least one hard copy available at each regular meeting.

14 – Closed Meeting (as needed)
15 – Adjourn

XIX. CONDUCT OF BUSINESS

A. Basic Principles: The following principles should be observed at all times in the transaction of public business before the Board.

1. Only one subject may claim the attention of the Board at one time.
2. Each item presented for consideration is entitled to full and free discussion.
3. Every member has rights equal to every other member except as to procedural matters within the competence of the Chair.
4. The will of the majority must be carried out, and the rights of the minority must be preserved.
5. The personality and desires of each member should be merged into the larger unit of the Fluvanna County Board of Supervisors.

B. The Board shall adopt an agenda for each meeting by recorded vote of a majority of the Board members present and voting. The adoption of the agenda shall be the first item for action following the Call to Order, Pledge of Allegiance, and Moment of Silence.

C. Items shall be heard in order of the agenda, except as the Board decides when adopting the agenda and that the Board may vote to call up any matter at any time.

D. Except as provided in subsection F. of this Section XX, the Board shall take no Action of Record on any matter that is not on the Meeting Agenda unless a modification to the Meeting Agenda is requested at the time of Approval of the Agenda. Modification of the Meeting Agenda requires a majority vote of Board members present and voting.

E. The Board shall consider all items on the agenda before taking any other items, unless an unlisted item is brought by majority consent of the Board members present and voting.

F. Items not on the agenda shall be heard as the final items of the Board's business, time permitting, or shall be carried over to the next regular meeting or a special meeting as determined by majority consent of the Board.

G. Exhibits before the Board shall become the property of the Board and shall be filed with the Clerk and shall be deemed a part of the record of the meeting at which submitted.

H. Citizens shall not speak at a meeting until they are recognized. Citizens shall request recognition by addressing "Mr. Chair" or "Madam Chair" (as appropriate), stating their name, their address, and awaiting acknowledgment by the Chair. The Chair may permit a dialogue without individual recognition between members of the Board or between a member and a citizen if such dialogue is orderly and contributes to the expeditious conduct of business.

I. Should it be desired by the Chair, any member, or by the County Administrator, the member making a resolution shall reduce the same to writing and deliver it to the County Administrator's Office. The Clerk shall take down verbal resolutions as accurately as possible to reflect the intent of the Board.

J. Prior to initiating a public hearing, the Chair shall recount, either verbatim or by reference, the rules under which the hearing shall be operated, but the Board may amend the rules during the hearing by giving notice of the change to those gathered (e.g., a change to the time limitation for individual speakers).

K. At the beginning of the public hearing, the Chair shall call upon the County Administrator or the other staff member handling the matter at hand to present a description of the issue placed before the hearing, or the Chair may do so himself.

L. Subject to revocation or extension by the majority of the Board assembled, the Chair may in all matters establish a maximum time for consideration of any matter, and/or limit the amount of time available to each speaker, including Board members, on a matter and/or limit the number of times each speaker may address the Board on a matter. Regardless, every Board member is entitled to speak on every matter before the Board and the call for the question shall not be entertained until all members who wish to exercise this right shall have done so at least once.

M. All members or citizens shall limit their comments before and to the Board. The Chair may prohibit questions from citizens until a speaker has finished his presentation.

N. The Board of Supervisors has set forth the following rules for time limits for various agenda items or comments from the public, unless modified by majority consent of the Board:

1. Action Item presentations shall be limited to thirty (30) minutes.
2. Presentations shall be limited to ten (10) minutes.
3. Public Comments shall be limited to five (5) minutes per individual.

O. Once a notice for Public Hearing has been advertised (regardless of the nature), the Public Hearing will be conducted, unless the Board formally defers the matter to a future meeting. The postponement or cancellation of a public hearing shall be as follows:

1. Any public hearing scheduled for a Board of Supervisors meeting that has been publicly advertised shall not be postponed based on a request from a non-County government entity or person absent extreme mitigating circumstances. The Chair, with concurrence of the County Administrator, will determine when such circumstances exist. If mitigating circumstances exist, the petitioner will bear any cost incurred by the County in providing public notification of the change and for the cost of advertising the new date of the hearing.
2. The Chair, with the concurrence of the County Administrator, shall have the authority to postpone a public hearing based on the weather or other extraordinary circumstances.
3. In all cases, County staff will ensure all Board members are provided timely notification of schedule changes. Further, staff will ensure the public and general news media are notified of changes to schedules which have been announced in public. The public hearing shall be rescheduled, if appropriate, and advertised as required by law.

XX. MOTIONS

A. Motions by Board members shall require a second.

Exceptions. The following do not require a second:

- To Raise a Question of Privilege
- Questions of Order
- Objection to the Consideration of a Question
- Call up Motion to Reconsider
- Nominations
- Leave to Withdraw a Motion
- Inquiries of any kind

B. Motions shall not be formally discussed prior to being duly seconded.

C. After a motion is properly made and seconded, the Chair shall restate the motion and open the floor to discussion.

D. The Chair shall routinely refrain from making or seconding motions in order to fairly and impartially preside over the Board deliberations and discussion. In any case, the Chair shall not make or second a motion without first temporarily surrendering the chair to the Vice Chair, if present and willing to temporarily accept the gavel, or to another member present and willing to temporarily accept the gavel. In such event, he should not resume the chair until the motion is decided.

E. A maker of a motion may not speak against his motion.

F. The Chair shall call for and cause the vote to be recorded after the motion is properly made before the Board, has been seconded, and has been duly discussed. Any member believing a motion has been duly discussed may move or call for the previous question. Such motion shall not be debatable. However, if any member objects, the Chair shall call for a vote on the motion calling for the previous question. If that motion carries, the Chair shall proceed to call for the vote on the motion before the Board. If the motion calling for the previous question is defeated, the debate on the main motion shall continue.

G. A substitute motion may be made by any member to any motion properly on the floor. Once seconded, the substitute motion shall take precedence and all debate or action on the existing motion shall cease until the substitute motion is decided. Debate on a substitute motion is permissible. If the substitute motion is passed by a majority vote of the members then present and voting, the original motion is supplanted by the substitute motion. A second substitute motion can be made only after the first substitute motion is decided by vote of the Board.

H. When a motion is made and then cannot obtain a second, the motion will die for lack of a second and does not require a vote. However, in the event that a motion which is not seconded is nevertheless voted on by the Board and passes by a majority of the members present and voting, the failure of a second shall not invalidate the adoption of such motion.

I. Defeated Motions

1. Same Meeting: A defeated motion can be brought back for consideration at the same meeting if the members present agree to do so by a majority vote. Only a member who voted on the prevailing side may make the motion to reconsider the issue. The rule restricting renewal of a motion in the same session does not apply to a motion that died for lack of a second.

2. Subsequent Meeting: Except as otherwise provided by law, a defeated motion that is still applicable can be re-introduced at a subsequent meeting as new business (under the normal process for new business).

XXI. VOTING

A. All Actions of Record must be approved by vote unless there is unanimous consent.

B. When the question is called and there is no dispute, the Chair shall call for the vote.

C. Whenever any member wishes to abstain from voting on any question, he shall so state and, if because of a conflict, shall indicate in accordance with the Virginia Conflict of Interests Act, Virginia Code § 2.2-3100 et seq., and his abstention shall be announced by the Chair and recorded by the Clerk.

D. The Chair's vote on all issues before the Board shall be recorded with the prevailing side, unless the Chair clearly votes otherwise.

E. The Clerk shall record the name of each member voting and how he voted.

F. A tie vote fails. The Board does not designate a tiebreaker pursuant to § 15.2-1421 of the Virginia Code.

G. Except as otherwise provided by law, motions shall be carried by a majority of the members present and voting in the affirmative (§15.2-1420), except that a majority affirmative vote of all members shall be required for any appropriation exceeding \$500.00, the imposition of taxes, and the authorization for borrowing money (§15.2-1428).

XXII. RECORDING OF MEETINGS. The Clerk for the Board shall record each regular meeting. These recordings are the property of the Fluvanna County Board of Supervisors and are public records as provided by the Virginia Freedom of Information Act. Interested persons may listen to the recordings on the County website or in the County Administrator's office, or may obtain copies of the recording by making appropriate arrangements with the County Administrator's office. Costs will be borne by the person making the request. The original recordings shall not be borrowed or removed from the County Office Building, except under the specific prior authorization of the County Administrator.

XXIII. ORDERLY CONDUCT

A. It shall be the duty of the Chair to maintain order and decorum at meetings. The Chair, when presiding at a meeting of the Board, without vacating the chair, shall refer any point of order to the Parliamentarian.

B. In maintaining decorum and propriety of conduct, the Chair shall not be challenged and no debate shall be allowed until after the Chair declares that order has been restored. In the event the Board wishes to debate the matter of the disorder or the bringing of order, the regular business may be suspended to discuss the matter by majority vote of the Board members present and voting.

C. All comments by members of the public during any Public Hearing must be germane to the purpose of that Public Hearing. All comments by members of the public during any Public Comment period must be germane to the services or policies of the County. When providing comments, members of the public are not permitted to campaign for public office and shall not promote private businesses or address pending litigation.

D. No member or citizen shall be allowed to use of any profane, vulgar, obscene, abusive, defamatory, disruptive, or threatening speech, and doing so may result in removal from the meeting. No member or citizen shall use language of a personal nature which insults or demeans

any person or which, when directed at a public official or County staff, is not related to his or her official duties.

E. All speakers shall be respectful of other opinions and viewpoints expressed at the meeting, and the audience shall not make audible expressions of support (i.e. applause) or of opposition (i.e. booing) during meetings.

F. Speakers should strive to avoid repetitive comments. Simple statements of endorsement of previous speakers are appropriate.

G. Speakers should address all comments to the Board of Supervisors and not the audience.

H. The Chair shall be the judge of all breaches of order and decorum, however, the Board may by majority vote of the Board members present and voting opt to overrule the judgment of the Chair.

I. When a person engages in such breaches, the Chair may order the person's removal from the building, or may order the person to stand silent, may order the person removed from the County property, and may, at his discretion, bring formal charges for disruption of a public meeting.

XXIV. AD HOC COMMITTEES. Ad hoc committees will be appointed by the Chair as needed. Constitutional Officers may be appointed to committees.

XXV. APPOINTMENTS TO BOARDS, COMMISSIONS, AND COMMITTEES (BCC)

A. The Board may appoint such advisory boards, committees and commissions as it may deem necessary pursuant to Code Section 15.2-1411.

B. Information on all nominees for such appointments, whether to represent the County as a whole or a particular election district, shall be included in the Board package for the meeting at which the appointment will be considered. It shall be the policy of the Board as a whole to scrutinize and agree upon all appointees to represent the County in any capacity.

C. Appointments shall generally not be made more than 45 days prior to the commencement of a term for which the appointment is made.

XXVI. OFFICIAL BOARD TRAVEL AND EXPENSE REIMBURSEMENT

A. A Board member may travel officially in-state at the Board member's discretion. In-state travel shall include travel to Washington, D.C.

B. A Board member shall obtain advance Board approval for official out-of-state travel.

C. Supervisors are not eligible for mileage reimbursement for regularly scheduled BOS meetings (held generally on the 1st and 3rd Wednesdays).

1. A quorum of the Board must be physically assembled at the primary or central meeting location; and

2. Arrangements have been made for the voice of the remotely participating member to be heard by all persons at the primary or central meeting location. The Board when convening a meeting in accordance with this subdivision (G) shall:

This Policy does not include public thoroughfares, such as sidewalks and streets, other than those within and around the County facilities discussed below, except that access to those public thoroughfares used primarily or exclusively for internal circulation within a park or other County property may be limited by operating hours and/or closures due to special events, public safety, or other operational needs.
- C. The County is committed to being as open as possible for expressive activity by members of the public, while also ensuring the safety and efficiency of County government operations. To that end, the County has developed individual policies for each of the following types of County facility to best tailor expressive activity allowances in the most appropriate way for each locale.

1.9.4 GENERAL POLICY GUIDELINES:

A. Access

1. While citizens utilizing County property have the right of unimpeded access to those portions of County property that are open to the public during hours of operation, forms of use, entry/exit, access priority, and safety rules must be regulated to protect public safety and governmental function.
2. The use of County government facilities is limited to public areas and/or spaces that are used as gathering/meeting spaces, such as conference rooms, multipurpose rooms, courtyards, etc., that are intended to be spaces in which people gather and meet. Coves at Monticello Performance Incentive Grant – Eric Dahl, County Administrator

At the March 2, 2022 Board of Supervisors meeting, the board approved the Development and Performance Agreement for the Coves at Monticello affordable workforce housing complex, by agreeing to provide semi-annual grants through the EDA based on a certain percentage of the taxes paid by the Developer due to the increased real estate assessment, which is billed after a certificate of occupancy for the project is issued.

The first real estate tax bill meeting the terms of the Development and Performance Agreement was for real estate taxes due June 5, 2025, and the developer has paid the first real estate tax bill based upon the increased assessment. The developer has also met all other milestone terms in the agreement. The stipulated (base) 2021 assessed value of the property per the agreement is \$71,439.14. The current assessed value of the property to \$16,926,992.00. The difference between the assessed values is \$16,855,552.86 and at a current real estate tax rate of \$0.75 per 100, that equals an annual 2025 Performance Incentive Grant of \$126,416.65, equaling a first half payment at \$63,208.33 and second half payment at \$63,208.32, which is now due.

- The Board asked if Staff could supply information on the residents' financial qualifications for housing at the Coves at Monticello.

MOTION:	Approve the Performance Incentive Grant amount of \$63,208.32 for FY26, with such payment to be made to the Economic Development Authority of Fluvanna County, Virginia, and for subsequent remittance to the developer Monticello Coves Realty Partners LP, and further authorize a supplemental appropriation of \$63,208.32 from Unassigned Fund Balance for payment of the grant funds.

RESOLUTION No. 03-2026

**A RESOLUTION DESIGNATING RURAL RUSTIC ROAD PROJECT
 ROUTE 672, CARYS CREEK ROAD**

WHEREAS, Section 33.2-332 of the *Code of Virginia*, permits the hard surfacing of certain unpaved roads deemed to qualify for designation as a Rural Rustic Road; and

WHEREAS, any such road must be located in a low-density development area and have no more than 1,500 vehicles per day; and

WHEREAS, the Board of Supervisors of Fluvanna County, Virginia desires to consider whether Route 672 Carys Creek Road, from Route 15 James Madison Highway one mike towards Route 671 Gold Mine Road should be designated a Rural Rustic Road; and

WHEREAS, the Board is unaware of pending development that will significantly affect the existing traffic on this road; and

WHEREAS, the Board believes that this road should be so designated due to its qualifying characteristics; and

WHEREAS, this road is in the Board's six-year plan for improvements to the secondary system of state highways.

NOW, THEREFORE, BE IT RESOLVED, the Board hereby designates this road a Rural Rustic Road, and requests that the Resident Engineer for the Virginia Department of Transportation concur in this designation.

BE IT FURTHER RESOLVED, the Board requests that this road be hard surfaced and, to the fullest extent prudent, be improved within the existing right-of-way and ditch-lines to preserve as much as possible the adjacent trees, vegetation, side slopes, and rural rustic character along the road in their current state.

BE IT FURTHER RESOLVED, that a certified copy of this resolution be forwarded to the Virginia Department of Transportation Resident Engineer.

THE FOREGOING RESOLUTION WAS DULY AND REGULARLY ADOPTED by the Fluvanna County Board of Supervisors at the Regular Meeting of the Board held on the 4th day of February, 2026;
