CONCLUSION

In accordance with this determination, the adjustment to increase equity capital for the 2014 tax year by including noncontrolling (minority) interests in consolidated subsidiaries is reversed. In addition, the Department will allow a deduction for both retained earnings and surplus of the Bank's subsidiaries to the extent included in gross capital. Finally, the Credit carryovers must be corrected to show the amounts that should have been claimed for the 2012 through 2014 tax years. The enclosed schedules display the adjustments (including mathematical errors) to be made as a result of this determination. The overpayments of state BFT, including applicable interest, will be refunded shortly. The Department will notify the affected localities and refunds of the local portion of the BFT will be issued by those localities.

The *Code of Virginia* sections, regulations, and public documents cited are available on-line at www.tax.virginia.gov in the Laws, Rules & Decisions section of the Department's web site. If you have any questions regarding this determination, you may contact David T. Mason in the Department's Office of Tax Policy, Appeals and Rulings, at (804) 371-6041.

Sincerely,

Craig M. Burns
Tax Commissioner
