A great place to live, learn, work, and play!

Background

- **This ordinance permits deputy sheriffs to apply to the Sheriff for approval to work off-duty.**
- **The Sheriff will have the authority to approve or deny the request, and may create reasonable rules, regulations and conditions for working off-duty. Deputies will only perform security, traffic-control, and other law enforcement functions.**
- **An application process and employment agreement will ensure the off-duty work does not interfere with a deputy's duties to the County or ability to respond to an emergency.**

AUTHORIZED SALARIES OF GENERAL REGISTRAR AND LOCAL ELECTORAL BOARD MEMBERS 2021-2022

Eric Dahl, County Administrator

June 2, 2021

A great place to live, learn, work, and play!

Background

- **The Code of Virginia (§ 24.2-108 and § 24.2-111) mandates the governing body of each county or city to pay compensation to their general registrar and electoral board members in accordance with the compensation expense plan established in the 2021 Virginia Acts of Assembly (Chapter 552).**
- **The local governing body will be reimbursed by the Department of Elections for state authorized salary payments to the extent of funds provided in the 2021 Virginia Acts of Assembly (Chapter 552).**
- **The authorized salary takes into account changes made by the General Assembly and Governor to adjust General Registrar salaries to equal the salaries for Local Treasurers as established under Item 74 of the appropriation act.**

Salary Change

General Registrar Salary	State Reimbursed	Fluvanna Supplement	Total Salary
FY21	\$ 54,123	\$ 11,107	\$ 65,230
FY22 base	\$ 83,484	\$ 0	\$ 83,484

BOS Direction

- **Does the General Registrar qualify for the FY22 5% staff COLA?**
 - If she was a new employee hired March 1, 2021, she wouldn't qualify.
 - If she was an existing employee moving into a different position, she would qualify.
 - Regarding the new salary change, the Commonwealth is increasing the base salary to higher level with no supplement required from the County.
 - The County has supplemented the General Registrar salary previously, as well as other state supported local employees.
 - The FY22 budget did include \$3,261 COLA based on the General Registrar's previous salary.
 - If the BOS provides a 5% COLA, an additional \$913 would be required above what is already in the FY22 budget.
 - With existing vacancies, any increase could be offset within the FY22 Budget.

QUESTIONS?

MOTION

I move the Board of Supervisors approve a supplemental appropriation of \$18,548 in the Registrars FY22 Budget from the Department of Elections state funding increase for the General Registrar and Electoral Boards annual salary, as mandated and established in the 2021 Virginia Acts of Assembly Chapter 552.
