I understand the nature of the activity in which I am (my child is) being enrolled. I understand that there are certain risks inherent with participating in recreational activity and that it is the duty of each participant to exercise reasonable care for their own safety and that of other participants. If this consent is given for my child, I also understand that, while participating in the activity, my child will be expected to behave in a reasonable and responsible manner and that the activity's supervisory staff has the authority to discipline my child in a manner similar to that imposed in Fluvanna County's public schools. I understand that under Virginia law, both Fluvanna County and its employees are immune from liability for negligence should I (my child) suffer any injury while participating in the activity and that I may consider procuring insurance to protect myself (my child) from such occurrences. With all this in mind, I hereby give my consent to enroll myself (my child) in the activity indicated. I also agree for my child to be transported by Parks and Recreation to the appropriate facility for my child to participate in such class if needed.
